## **Two-years warranty cover details**

### **What is covered?**

Your vehicle is guaranteed against all defects of material, workmanship and design for a period of 24 months from the original date of registration (date of purchase) and without any mileage restriction.

Any such defects will be rectified free of charge, provided that the warranty is valid, particularly in respect of the servicing requirements (see page 5) and subject to the exclusions below.

Only causes of noise or vibration that are beyond reasonable limits and which affect the normal riding of the vehicle are included in this warranty.

### What is NOT covered?

The warranty does not include the cost of normal servicing, nor such items as oil, oil filters, the topping up or the supply of lubricants, special fluids and various consumable materials unless they are specifically linked to the warranty repair.

Defects caused by the use of spare parts or accessories not produced and/or supplied by Piaggio Group Americas are not covered by this warranty.

The warranty does not cover any spare parts subject to wear and tear, such as friction linings (clutch and brake), drive belts, cables, fuses, bulbs, spark plugs, V-belts, tires, variator rollers, handlebar grips, floor-mats etc.

The warranty does not cover the cost of recovery or transportation of the vehicle to or from an Aprilia Dealer (as appropriate), nor expenses incurred while the vehicle is off the road for warranty repairs.

Any parts replaced under this warranty become the property of Piaggio Group Americas, Inc.

## **How to keep do your warranty valid**

For the warranty to remain valid you must:

1. Maintain your vehicle according to the service schedule listed on pages 12-16.

While necessary maintenance or repairs may be performed by others, we recommend you use an Aprilia Dealer.

In fact, having your vehicle serviced regularly will also keep it at peak performance, as well as enabling your Aprilia Dealer to detect any early signs of faults, and fix them before they cause you a problem.

2. Present this booklet to your Aprilia Dealer when requesting a warranty repair.

3. Observe the restrictions listed on page 6.

4. Retain all service work invoices/receipts.

## **Warranty restrictions**

1. The warranty will be invalidated if your vehicle has been neglected, mistreated or modified in its construction, functioning or aesthetics.
2. If your vehicle is used in competitive racing, the warranty will be invalidated.
3. The warranty will be invalidated if the vehicle is repaired, modified or dismantled improperly or incorrectly. While necessary maintenance or repairs on your vehicle may be performed by other parties, we recommend that you use an Aprilia Dealer.
4. If the vehicle's frame or engine numbers (stamped into the metal) have been altered or defaced, the warranty will be invalidated.
5. The warranty will be invalidated if the vehicle has not been used as intended or specified by the manufacturer.

## What to do if you need a warranty repair

Should you experience or suspect a problem with your vehicle during the warranty period, we recommend to take your vehicle (as soon as possible) to any Aprilia Dealer in order to analyze the problem. It is important that you describe your problem carefully.

Only if you present this warranty booklet will the Dealer then be able to advise you whether the repair is available within the warranty agreement. If so, they can make arrangements for the work to be done.

We recommend you use an Aprilia Dealer to perform all repairs, inspections and servicing on your vehicle.

Should you require a full list of Aprilia Dealers please visit our website:
